# Løbe Stratego 1-20 m/billeder

Del klassen op i to hold - et blå og et rødt. Udnævn en kaptajn på hvert hold. Kaptajnen deler kort ud til de andre på holdet. Blå og rødt hold skal nu møde hinanden og kæmpe om, at få modstanderens kort med hjem til kaptajnen.

Det største kort trumfer det mindste. Bomben trumfer alle kort og må bruges 1 gang hver. Til sidst sendes flaget i omløb. Alle kort trumfer flaget, så det gælder om ikke at blive antastet af det modsatte hold, når man har flaget. Vinder er det hold, der har fået modstanderens flag.

Start evt. med 1 bombe og sæt så flere i omløb i næste spil. Måske klassen skal deles op i 4 hold afhængig af størrelsen på klassen.

Husk at printe dobbeltsidet.

God fornøjelse
